

# U.S. Bank Access Commitment® Resource Guide

How to get support through our U.S. Bank Access Capital initiatives

---

## U.S. Bank Access Capital: Collaborating to invest in developers of color

Who it's for: CDFIs/nonprofits that support developers of color

What it is: U.S. Bancorp Impact Finance has awarded \$850,000 total in grants over the last three years to CDFIs and nonprofits that are supporting and helping grow the number of developers led by people of color

Get access: Developers of color looking for technical assistance can contact any of these organizations that have received funds to learn more about their resources and support:
